

ROTC provides high level training meeting industry requirements. ROTC offers a Forklift Driver Course. This course has been developed for inexperienced forklift drivers, or for forklift drivers with little experience. This course aims to get inexperienced drivers at the same level as their experienced colleagues within a relative short period. When you are a skilled forklift driver desiring to participate in the course, you will have the opportunity to upgrade your knowledge and improve your skills.

Topics

Topics that will be addressed during the course are:

- Roles of the Terminal's Logistic Process;
- Types and Purposes of Forklifts;
- Capacity Calculation Connecting to Stability of the Forklift;
- Safe Working;
- Daily Checks and Maintenance;
- Team Work;
- Practice Driving and Handling.

Prerequisites

- High school level education;
- Basic English comprehension skills are beneficial, but not required. If necessary, a translator will be present;

Duration & Start Date

The course duration is 5 days. Please contact ROTC for the course schedule.
