

ROTC offers a Health, Safety & Environment Course. After completion of the course the participant has a profound knowledge of the different subjects and issues of Health, Safety and work Environment in an industrial environment. Participants obtain knowledge of critically observing work situations and address these through HSE improvements.

Topics

Topics that will be addressed during the course are:

- Risks at the workplace;
- Do's and Don'ts at the workplace;
- Use of Personal Protective Equipment;
- Safe working at heights;
- Signs;
- The working environment;
- Safe working principles;
- PPE (Personal Protective Equipment);
- Ergonomics.

Prerequisites

Basic English comprehension skills.
